

TimberWest+Contractor
SAFETY WORKING GROUP

SAFETY VISION

TimberWest + our contractors collectively strive towards the goal of zero harm + zero injuries by educating staff and contractors that:

- » All injuries are preventable.
- » Safety and success go hand in hand.
- » Safety is everyone's shared responsibility.
- » Open communication is key for the safety of everyone.
- » We accept responsibility for our actions and how they affect others.
- » We grow our safety leaders and champions from within.

We foster a culture of learning and continuous improvement with focus on prevention of injury.
